

ST THOMAS MORE MONTESSORI

Optional daily fees

The aim of this information sheet

To enable you to make an informed choice about the extra items and activities you would like us to provide for your child.

How much will I need to pay?

Our Integrated Montessori Package (IMP) is the best value way to ensure that your child can participate fully in all aspects of the Nursery day, and we charge £12.50 per day for this package.

Should you wish to opt-out of the IMP Fee, your child will be offered a *no-frills* place. Please refer to our Opting-out Information Sheet for further details.

As well as our Integrated Montessori Package, we also offer various mini-packages or you can choose to pay for individual items or activities as per the prices shown in the table on the next page.

Some items are shown as a daily charge, as required by legislation. However, your child would need to opt-in to the daily charge for the full term in order to cover the required cost. These items and associated packages are marked with an asterisk (*).
